

Mines & Wines

THE CONFERENCE OF THE YEAR!

Mineral Exploration Geoscience in NSW

SMEDG is convener of "Mines & Wines" a conference on mineral exploration in NSW. This two day event, in collaboration with the Geological Survey of NSW, will be held in the Hunter Valley and will focus on base metal and gold mineralisation in NSW.

Geological Conference 25-26th May 2006

The conference covers four themes:

- **Porphyry systems of the Lachlan Orogen**
- **West Lachlan Orogen - Cobar and surrounds**
- **New England Orogen**
- **Far West Frontier Zones - Thomson Orogen**
