PROCEEDINGS OF COURT CASE DIVERSIFIED MINERAL RESOURCES vs. CRA EXPLORATION

5. This is a 45 page fully formatted Word 97 text of the proceedings of a Trade Practices Federal court case which followed the announcement of the discovery of Century; DMR took CRA to court in 1993-95, and this volume represents the proceedings of this court action. It includes accounts of the discovery and geology of Century, including correspondence, faxes, telephone conversations, recollections etc, and provides a window into the world of corporate joint venture negotiations and the conduct of business. **Price A\$40 per copy, bound or digital**
Note: This text is available (unformatted but free) on the web at www.austlii.edu.au – in the search box type ‘Diversified Mineral Resources’, or QG163.
