

AusIMM
AUSTRALASIAN INSTITUTE OF MINING & METALLURGY
COBAR BRANCH

*The Cobar Branch of the AusIMM invites you
to*

***Annual General Meeting, “Garrulous Geos”
& End of Year BBQ***

An evening of Geological talks from members of the Cobar Mining and Exploration community. This will be preceded by the AGM of the Cobar Branch of the AusIMM.

Speakers and Topics for the evening are:

- *Dick Glen, NSW Geological Survey – Thompson – Lachlan Seismic Units*
- *Eliseo Apaza, CSA Mine – “Exploring Data at CSA Mine”*
- *Martin Lenard, CCR – “The Wonawinta Silver Project”*
- *Carl Clark, Straits Resources – “Ore Deposit Geology of the Tritton Mine”.*
- *Manfred Wimberger / Barry Taylor, PGM – “Perseverance – A new Chapter at Peak”*

These talks will be followed by an End of Year BBQ at the Golfie BBQ Area. This BBQ will be open to all AusIMM Members, associated Industry Personnel, their Partners and Children.

Refreshments and BBQ food provided

Date: Friday 13 November, 2009

Time: 5:00 pm for 5:15 pm start. The AGM will take 10 minutes. It’s expected that the talks will conclude by 7:30 pm followed by the BBQ and refreshments.

Place: Function Room 2, Cobar Bowling and Golf Club.

Cost: Nil

All welcome, you don’t have to be a member of the AusIMM. However, AusIMM membership is required to vote in the AGM.

The Committee requests that children attend the BBQ after the talks have concluded.

For the AusIMM Members that have ordered clothing, it will be dispensed at this function. Please bring along any required payments to avoid disappointment.
