

information events for the exploration industry**June 14, 2007**

An *Industry Workshop* to inform mineral explorers of the latest developments in on-line information systems and exploration reporting, followed by *Exploration In The House*, presenting the latest results of Geological Survey of NSW project activities.

industry workshop**1**

Rugby Club, Rugby Place, Sydney
 10:30 am - 12 noon

A hands-on demonstration of EROL, MinView 2, plus discussion of proposed environmental reporting for exploration licences will be held at the Rugby Club by NSW DPI.

exploration in the house**2**

Parliament House Theatrette, Sydney
 1pm - 6pm

The Geological Survey of NSW is hosting an afternoon of technical talks in the theatrette at Parliament House. They will showcase new ideas and insights acquired through the Survey's last 12 months of activities. The technical program will especially highlight results from the New Frontiers initiative.

PROGRAM

1:00pm: Arrival, poster session and refreshments

1:30-1:45pm: Welcome

1:45-2:00pm: *New Frontiers - New Opportunities* - John Watkins

2:00-2:20pm: Phil Blevin - *Igneous Metallogeny on the Fly (field tools for estimating intrusives oxidation states)*

2:20-2:40pm: Cameron Quinn - *Constraining the architecture of the eastern Lachlan Orogen - new ideas for explorers*

2:40-3:00pm: Barney Stevens - *Using geology to explore for Broken Hill Type Deposits*

3:00-3:30: Poster session and afternoon tea

3:30-3:50pm: Bob Musgrave - *Fluid flow, remanence anomalies and gold, finding Stawell gold deposits in NSW*

3:50-4:10pm: John Greenfield - *Exploration potential in far west NSW*

4:10-4:30pm: Bill Reid - *Regolith and spectral mapping in north west NSW*

4:30-4:45pm: Kevin Capnerhurst - *Developments in On-line Services - MinView2 and EROL*

4:45-5:00pm: Owen Thomas - *Arc-related volcanism in the eastern Lachlan Orogen - the 'real' Devonian Bowring event?*

5:00-6:00pm: Poster session and refreshments
