Summary

- Responsible hard worker with a good attitude
- Reliable team member who works well in a team environment and unsupervised
- High attention to detail and accuracy to complete the task to a high standard
- Passionate and enjoy learning and working within the geological and geophysical field

Education

1999 to 2005- Graduated Our Lady of Mount Carmel, Wentworthville

2006 to 2011- Graduated Our Lady of Mercy College, Parramatta

Completed HSC subjects: Advanced English, Mathematics, Studies of Religion (1 unit),
Chemistry, Earth and Environmental Science, Geography & French Continuers

2012 to present- undertaking a Bachelor of Science majoring in geophysics and geology at Macquarie University

Experience

- Currently undertaking the Global Leadership Program at Macquarie University
- Through studying at Macquarie University I have completed many field trips in different areas of the geosciences.
- Volunteered at Geochemical Evolution and Metallogeny of Continents (GEMOC) ARC National Key Centre from January to March 2014, some activities included
 - Operating the electrical pulse disintegration Selfrag machine
 - Using Excel to organize zircon data
 - Assisted with dating zircons using Hf and U-Pb isotope and
 - Grammatically reviewing Kuzetsov et al. (2015) (unpubl.)
- At university I have completed a chemistry, maths and physics subject in addition to a range of environmental units whilst studying core and elective geophysics and geology subjects
- Regularly attend SMEDG and ASEG
- Able to efficiently operate computer programs including MS office and various data imaging and processing programs in geophysics and exploration, including: ModelVision, Mapinfo, Discover, Profile Analyst, ERMapper, Noddy, Pickwin, Plotrefa and Maxwell
- Participated in a French language immersion program in New Caledonia, 2009
- Studied French for five years at high school and can speak Croatian fluently
- Participated in Salvation Army and Saint Vincent de Paul door knock appeals
- Homeroom and junior homeroom leader in high school
- Volunteered at Hilltop Primary School during the year 10 volunteer program
- Carried out fire hazard reduction work on a remote country property

Awards and Achievements

- HLTA1003 Senior First Aid Certificate January 2015
- Was selected to participate in the Australian and New Zealand IODP Consortium, Marine Geoscience Masterclass Perth 2013
- Was granted the mobility scholarship for Volcanic Geology Fieldwork (GEOS373)
- Recipient of outstanding effort in learning for three consecutive years in high school

Licenses

- NSW Provisional 1 Driver License
