

SMEDG MEETING Thursday 26th July 2018

5:30 pm for 6:00pm

Level 2, Club York, 95 – 99 York Street, Sydney.

Paul Flitcroft & Greg Cozens - Regis Resources

[McPhillamys Gold Project](#)

Regis Resources Ltd will be presenting an overview of the McPhillamys Gold Project and exploration areas in the Lachlan Fold Belt in Central West NSW. Regis has a large landholding surrounding Orange and the Cadia district and is actively exploring for a variety of targets.

Note: Level 2, where we have our meetings, can be accessed through the ground floor next to the club reception desk.

CLUB YORK - RENOVATING THE LIFT

As of **Monday 23rd July** our lift will be undergoing renovations. This work will conclude Mid November.

Anyone that requires help please contact see reception on arrival and we will make arrangements to escort you to Level 1 or 2.

We apologise for the inconvenience during this time and look forward to a newly renovated lift to be up and running in Mid November.
