We will be holding information sessions in **Newcastle and Sydney on Thursday August 13th** for prospective mentees and mentors, which both current and potential sponsors are also welcome to attend to learn more about the Program and sponsorship opportunities.

The sessions will be hosted by Mentoring Program Co-ordinator, Dr Ali Burstson of Metisphere and Fiona Robertson, Chair of WIMnet NSW and will provide information on the aims and structure of the program with the opportunity to ask questions. The sessions will run for approximately an hour and a half.
