

Women & Leadership Australia (WLA)

is currently offering professional development scholarships for women across all areas of the mining and resources sector.

Women & Leadership Australia (WLA) would like to acknowledge the tremendous response to the recent announcement regarding scholarship funding for women in the Mining and Resources Sector.

For those who missed the announcement WLA is currently offering professional development scholarships for women across all areas of the mining and resources sector.

We encourage you to share this opportunity with anyone who may be eligible.

Through our [Industry Partnership Framework](#), we work with hundreds of Australian associations and professional bodies to increase awareness and action around gender equity. With your support, we can continue to create meaningful opportunities for women leaders across the country.

Scholarships of \$1000-\$5000 per person are available for women in the mining and resources sector

To encourage more women to increase their impact at work and step into leadership roles across the mining and resources sector, WLA is offering scholarships for four leadership development courses. **Apply by 9 June** or find out more by clicking here:

<https://www.wla.edu.au/industry/mining-resources>

To help you share this information easily across any platform your members engage with, we have created a suite of social media tiles, images and wording you can [access via this DropBox link](#)

Support from a range of associations makes a significant difference to the number of women who are able to access high quality leadership development opportunities. We appreciate your assistance and look forward to supporting more women leaders across the country.
