

SMEDG meetings are customarily held on the **4th Thursday** of the month at Club York. However this may change due to clashes with public holidays, or availability of speakers. Club York and Regular Meetings

- **Regular SMEDG meetings are held in the Club York Function Centre, located on Level 2 of the Club, 95-99 York Street, just north of the Market Street intersection.**
 - **These are also broadcast through Zoom, for which registration is required, with details on the notice of meeting email**
 - **Entry is usually through the lifts located in the building foyer immediately to the left (south) of the Club entrance, however if for some reason the lifts are locked, entry can be gained through the Club - just let the concierge know that you are attending a function, and you will be let through. After meeting dinners are usually held at the Zabou Bistro on Level 1, however we sometimes go to Primi Italian for pizza on the ground floor.**
 - **The bar is open at meetings, and we shout each attendee one drink upon arrival.**
