MAKE GOLD GREAT AGAIN

Time to remember the late [David Timms](#) who, as head of Amoco Minerals in Australia, started the annual Amoco Xmas Cruises in 1978.

Our thanks to Rosman Ferries who have carried us safely for so long that no-one can remember how long, but it's four decades. That was, sadly, our last ride on the MV 'Royale' who is going into retirement. A replacement with her charm and suitability will be hard to find.

Huge thanks go to Mark Gordon who has organised almost everything from the boat to the catering (thanks to [Art Kitchen](#)) to the grog (thanks to [Waverton Cellars](#))
